---

An act to amend Section 130051 of the Public Utilities Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1507, as amended, Margett. Los Angeles County Metropolitan Transportation Authority.

Existing law establishes various regional transportation authorities, including the Los Angeles County Metropolitan Transportation Authority, which is composed of 14 members. Two of those members are public members, and 4 members are appointed by the Los Angeles County City Selection Committee, based on the division of the County of Los Angeles into 4 sectors, as specified. *Existing law also provides for an alternate appointment method for the public members in the event that the population of the City of Los Angeles is less than a certain percentage of the population of all cities in the county.*

This bill would instead provide for one public member, and would specify 5 different sectors from which the committee would appoint 5 members. *The bill would delete the provision providing for the alternate appointment method.*

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
